

PUBLIC LECTURE BY PROF. DAVID SANDERS

THE DOUBLE BURDEN OF MALNUTRITION, NON-COMMUNICABLE DISEASES AND FOOD SYSTEMS IN THE ERA OF NEOLIBERAL GLOBALISATION

David Sanders, is Emeritus Professor and founding Director of the School of Public Health at the University of the Western Cape (UWC), South Africa. He is a paediatrician qualified in Public Health.

Prof. Sanders has 35 years' experience of health policy and programme development, research and teaching in Zimbabwe and South Africa. He has

served as an advisor to governments and UN agencies. He also serves on the International Malnutrition Task Force and was on the UN Standing Committee on Nutrition and the Knowledge Network on Globalisation of the WHO Commission on Social Determinants of Health. Prof. Sanders has received the Nutrition Society of South Africa Award in 2002, an Honorary Doctorate from UCT in 2012, and serves on the Management Committee of South Africa's Centre of Excellence on Food Security and is Co-Chair of the Global Steering Council of Peoples Health Movement.

He has published extensively in peer reviewed journals on primary health care, child health, and nutrition. He is the author of three books:

- The Struggle for Health**
- Questioning the Solution**
- Fatal Indifference: The G8, Africa and Global Health.**
