

## Job Description

<b>Position</b>	Capacity Building Officer/Trainer
<b>Project</b>	Rural Creche Initiative
<b>Location</b>	Rayagada
<b>No. of Position</b>	04
<b>About the Organisation</b>	<p>Public Health Resource Network is a growing network of individuals and organizations with the perspective of strengthening technical and management capacities to take action towards the common goal of 'Health for All'. Its main objective is to contribute and strengthen all efforts directed towards the goal of 'Health for All' through promotion of public health, social justice and human rights related to the provision and distribution of health services, especially for those who are generally left underserved. PHRN is currently working in the states of Chhattisgarh, Jharkhand and Odisha and has contributed to the on-going work of strengthening public health systems in other states through its partnerships with other institutions.</p> <p>Whereas PHRN is a voluntary network of many hundred concerned public health practitioners who are willing to intervene towards 'Health for All' by creating capacities and engaging with the public health system, Public Health Resource Society (PHRS) is the core group that has initiated the network. PHRS is a national level organization that is registered in Delhi under Societies Registration Act 1860 (Act XXI). It comprises of a small group of members and full timers that provides leadership to the network as well as functions as its secretariat.</p> <p>For more details visit: <a href="http://www.phrsindia.org">www.phrsindia.org</a></p>
<b>About the project</b>	<p>The project aims to provide universal access to crèches for children aged 6 months to 3 years, ensuring supplementary feeding, early childhood development, and access to government services, while addressing nutritional vulnerabilities in rural and tribal communities. It seeks to empower caregivers and bridge childcare gaps to promote healthy child development.</p>
<b>Job Description</b>	<p>The Capacity Building Officer/Trainer will be responsible for implementing training programs and capacity-building activities for supervisors and crèche caregivers. Working under the guidance of the Program Manager and in close coordination with the Capacity Building Coordinator, the Officer/Trainer will ensure the successful delivery of training sessions, provide technical support, and help enhance the skills required to improve childcare, nutrition, and early childhood development in rural and tribal communities. In addition to this, s/he will also be engaged in monitoring and supervision at the creche level, develop reports and case studies.</p> <p>Roles and responsibilities are as follows:</p> <ul style="list-style-type: none"> <li>- Conduct training sessions for crèche caregivers, supervisors, and other stakeholders based on established training plans.</li> <li>- Adapt and modify training materials, ensuring they meet the needs of the participants.</li> <li>- Lead interactive, practical sessions to enhance participants' understanding of early childhood care, nutrition, and community engagement practices.</li> </ul>

## Job Description

	<ul style="list-style-type: none"> <li>- Collect feedback from participants and monitor progress post-training to assess the effectiveness of training sessions and provide recommendations for improvement.</li> <li>- Support the overall objectives of the project by aligning training activities with the broader program goals for child nutrition, health, and early development.</li> <li>- Prepare regular reports on capacity-building activities and outcomes, providing updates to program manager and key stakeholders.</li> <li>- Undertake supportive supervisions to cover around 10 percent of the creches assigned to her/him every quarter</li> <li>- Offer hands-on support and guidance to caregivers and local teams during field visits to ensure proper application of skills and practices.</li> <li>- Appraise the functionaries of the partner organisations on the findings from the supportive supervision visits and prepare and share a report of the field visit with the partner organisations and the Foundation.</li> <li>- Initiate follow-up with the partner organisations based on the feedback from the supportive supervision field visits and/or based on the monthly/quarterly interactions.</li> <li>- Participate in monthly/quarterly interactions with the partner organisations to discuss the progress, success and challenges.</li> <li>- To spend at least 11 days in the field to facilitate training sessions and undertake supportive supervision visits.</li> </ul>
<b>Report to</b>	Senior Program Manager
